

NATRC Region 3 Appreciation Award 2021

Juleen Feazell

It is my proud honor to nominate Juleen Feazell to National. Juleen has ridden NATRC for over 20 years and has always been a leader in all situations.

Juleen has supported R3 in many roles. She has been a wonderful Ride Manager of Isle in the Sky for several years. She has served numerous terms on the Board of Directors and held the office of President.

Juleen created the New Rider awards and the Sportsmanship awards that are in full force today.

Her leadership has been unmatched and I am proud to call her friend.

Thank you,
Dayna Morgan
